

My life

sai4

January 2019

1 About me

I am a second year comp sci student looking for an IY for next year to polish my IT skills and experience the work force. I have my own website where i will be showcasing all my work.

2 Conclusion

I always had an interest in coding and learning new IT skills ,i really feel like this course will equip me with all the skills necessary for having a career in the IT industry. [?]

```
return portNext;

revItem: function( portPos)
var portPrev = '';
var hasPrev = $('#'+ portPos) {
if (hasPrev.length != 0) {
portPrev = hasPrev.attr('value');
}
return portPrev;
}

initializeAjax: function( portPos) {
postPortId = $('#'+ portPos) {
folio. prev
id = 1;
}
